

Analytical Test Result

CaptureSelect™ Biotin Anti-IgG Fc (multispecies)

Origin: The Netherlands

Catalogue Code: 7102852100

Lot Number: 180308-011

Expiration Date: March 2023

Manufacturing Date: March 2018

Storage Temperature: -30/-5 °C

TEST & METHOD	SPECIFICATION	RESULT	UNITS
Concentration (OD280)	1.0	1.0	mg/ml
Purity (SEC)	≥ 95	Conform	%
Stability	Normal performance after 2 weeks storage at 30°C	Conform	
Identity	Binds relevant antigens	Conform	

ORIGIN STATEMENT:

The conjugate is expressed in *S. cerevisiae*. This yeast cell line does not act as a host cell line for viruses and does not spread BSE/TSE. The conjugate is manufactured and formulated without use of animal derived components. It is therefore considered to pose no risk of BSE/TSE infectivity.
