## Product Information

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Part Number:        | 211191                                                                                      |
| Description:        | !DIPA REAGENT, 6 X 0.8 L WITH TUBING                                                        |
| Lot Number:         | GRB1                                                                                        |
| Expiration Date:    | No Expiration Date - Suggested use within 2 years from date of receipt by customer/end-user |
| Method Of Analysis: | SPECTROPHOTOMETER                                                                           |

## Actual Analysis

| Acceptance Range                                           | Results | Unit Of Measure               |
|------------------------------------------------------------|---------|-------------------------------|
| GREATER THAN OR EQUAL TO 99.5%<br>DIISOPROPYLAMINE REAGENT | 100.0   | % DIISOPROPYLAMINE<br>REAGENT |

## Traceability

| N.I.S.T Chemical | SRM# |
|------------------|------|
| NOT APPLICABLE   | NA   |
