

May 18, 2016

Dear Valued Customer,

After careful consideration, Thermo Fisher has decided to discontinue the manufacture and sale of the following DNA sequencing products in 2017. After January 1, 2017, limited inventory of the products below will be available and sold until inventory is exhausted. Alternative products are available as identified in the table below.

Discontinued Product		Alternate Product	
403045	dRhodamine Dye Terminator Ready Reaction Cycle Sequencing Kit, 1000 rxn	4337456	BigDye® Terminator v3.1 Cycle Sequencing Kit, 1000 rxn
403044	dRhodamine Dye Terminator Ready Reaction Cycle Sequencing Kit, 100 rxn	4337455	BigDye® Terminator v3.1 Cycle Sequencing Kit, 100 rxn
4303143	dRhodamine Dye Terminator Ready Reaction Cycle Sequencing Kit, 5000 rxn	4337457	BigDye® Terminator v3.1 Cycle Sequencing Kit, 5000rxn

If you would like to learn more about these products, please visit [www.thermofisher.com](http://www.thermofisher.com) or contact your local customer support or sales representative.

Sincerely,

**Christina Buchanan-Wright, PhD**
