

Arcturus® Microgenomics Reagent Kit

applied
biosystems®
by life technologies™

Insert Part Number R3592 Rev. D
Printed in USA

For Research Use Only. Not for use in
diagnostic procedures.

Note: For safety and biohazard guidelines, refer to the "Safety" section in the product User Guide. For all chemicals in **bold** type, read the Safety Data Sheet (SDS) and follow the handling instructions. Wear appropriate protective eyewear, clothing, and gloves.

Important! Please Read

Dear Customer,

Thank you for choosing Applied Biosystems® Arcturus® Microgenomics Reagents for your research needs.

You will notice that the look and feel of your Arcturus Microgenomics Reagent Kit has changed. Please note that the reagent kit components remain unchanged and you will continue to receive the same quality product you have come to expect from Arcturus and Applied Biosystems.

As part of the packaging updates we have changed the color of some tube and bottle labels. Please review your product user manual for these changes specific to your reagent kit.

For optimal kit performance, please review and follow the complete protocols as found in the product user guide. The user guide is not included in your kit, and can be easily downloaded from our website, at the following link: www.appliedbiosystems.com

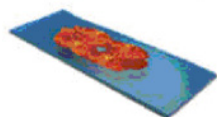

Prior to beginning your experiment, please download and review the user guide. The PDF may then be saved for future reference.

If you have any questions regarding your Arcturus reagent kit, or any Arcturus product, please contact Technical Support using the following information:
