

Thermo Scientific Inoculating Loops and Needles

Part of our complete range of microbiological solutions, our extensive line of calibrated and non-calibrated wire loops, disposable plastic loops and precision-manufactured needles are color-coded for easy recognition and streamlined specimen handling.

Thermo Scientific Calibrated Inoculation Loops

	Product number	Product name	Handle and color	Pack size
Reusable	R503740	Inoculation Loop Twisted Nichrome V, 1/100mL	w/ Insulated Handle, Orange	ea
	R503730	Inoculation Loop Twisted Nichrome V, 1/1000mL	w/ Insulated Handle, Blue	ea
	R503630	Inoculation Loop Twisted Nichrome V, 1/100mL	w/o Handle	ea
	R503620	Inoculation Loop Twisted Nichrome V, 1/1000mL	w/o Handle	ea
Single use	R501420	Inoculation Loop, 1µL PK/960	Plastic, Blue	PK: 30 bags, 32 units/bag
	R501410	Inoculation Loop, 10µL PK/960	Plastic, Yellow	PK: 30 bags, 32 units/bag

Thermo Scientific Non-Calibrated Inoculation Loops

	Product number	Product name	Handle and color	Pack size
Reusable	R503151	Inoculation Loop	w/ Insulated Handle, White	ea
	R503152	Twisted Nichrome V, 2mm		PK/5
	R503153	Inoculation Loop	w/ Insulated Handle, Green	ea
	R503154	Twisted Nichrome V, 3mm		PK/5
	R503155	Inoculation Loop	w/ Insulated Handle, Yellow	ea
	R503156	Twisted Nichrome V, 5mm		PK/5
	R503155	Inoculation Loop Twisted Nichrome V, 2mm	w/o Handle	PK/25
	R503513	Inoculation Loop Twisted Nichrome V, 3mm	w/o Handle	PK/25
	R503515	Inoculation Loop Twisted Nichrome V, 5mm	w/o Handle	PK/25

Thermo Scientific Inoculation Needles

	Product number	Product name	Handle and color	Pack size
Reusable	R503060	Needle, Nichrome V, Straight	w/ Insulated Handle, Purple	ea
	R503090	TB Spade Needle, Nichrome V, Flat End	w/ Insulated Handle, Blue	ea
	R503080	Teasing Needle, Nichrome V, straight point	w/ Insulated Handle, Orange	ea
	R503070	Teasing Needle, Nichrome V, angular point	w/ Insulated Handle, Yellow	ea
Single use	R501400	Needle, PK/960	Plastic, White	PK: 30 bags, 32 units/bag

Thermo Scientific Loop Holders (Handles) and Loops Gauges

	Product number	Product name	Handle and color	Pack size
Reusable	R501966	Insulated Brass Holder, 6 in	For use with loops w/o handle	ea
	R501968	Insulated Brass Holder, 8 in	For use with loops w/o handle	ea
	R507010	Calibration Gauge, .01ml	Used to calibrate .01ml loops	ea
	R507020	Calibration Gauge, .001ml	Used to calibrate .001ml loops	ea
