

Certificate of Analysis

AccuPrime™ Taq DNA Polymerase System

Product No. 12339024, 10083062

Lot No. 3060770

Date of Manufacture 13-Dec-2024

Expiration Date 13-Dec-2026

PCR Functional Assay

Specification: Negative control (no template) reactions must be free of visible product.

Result: Meets specification.

Specification: Reactions must show the amplification of a 626 bp band from 100 ng of human genomic DNA and a 1989 bp band from 100 pg of pBR322 DNA. An increased specificity and yield must be observed in reactions containing AccuPrime™ protein versus reactions without.

Result: Meets specification.

For Research Use Only. Not for use in diagnostic procedures.
