

Certificate of Analysis

AccuPrime™ Pfx DNA Polymerase

Product No. 12344032, 10227242

Lot No. 2847297

Date of Manufacture 26-Feb-2024

Expiration Date 25-Feb-2026

PCR Functional Assay

Specifications: Negative control (no template) reactions must be free of visible product. Reactions must show the amplification of a 2380 bp band from 100 ng of human genomic DNA.

Results: Meet specifications.

For Research Use Only. Not for use in diagnostic procedures.
