

# Certificate of Analysis

## SuperScript™ III One-Step RT-PCR System with Platinum™ Taq High Fidelity DNA Polymerase

Product No. 12574030, 10092922

Lot No. 2696932

Date of Manufacture 07-Jun-2023

Expiration Date 29-May-2025

---

### Product Qualification

This product is tested functionally using 10 ng and 50 ng of total HeLa RNA as the template for amplification of a 3-kb target (40 cycles).

Results: Meet specifications.
