

# Certificate of Analysis

## Random Primers DNA Labeling System

Product No. 18187013, 10337872

Lot No. 2487743

Date of Manufacture 01-Sep-2022

---

### Incorporation Assay

Specification: Using [ $\alpha^{32}\text{P}$ ]dCTP in a random primer reaction, the system must yield  $\geq 23\%$  incorporation (equivalent to  $\geq 1.02 \times 10^9$  cpm/ $\mu\text{g}$ ) within 1 hour.

Result: Meets specification.

---

For Research Use Only. Not for use in diagnostic procedures.
