

# Certificate of Analysis

## ExpiCHO-S™ Cells

Product No. A29127, 15694391

Lot No. 2715751

Date of Manufacture 13-Oct-2023

---

### Viability:

Specification: Cell viability must be greater than 70% 24 hours post-thaw.

Result: Meets specification.

### Mycoplasma qPCR Assay

Specification: Negative for Mycoplasma.

Result: Meets Specification.

### Sterility

Specification: Negative

Result: Meets specification.

---

For Research Use Only. Not for use in diagnostic procedures.
