Certificate of Compliance

2 of 2

REACH Statement: Dexter Magnetic Technologies, Inc. has reviewed our current operations. Unless otherwise indicated on this Packing List, we have concluded that none of the listed substances on the SVHC candidate or consultation list are knowingly added to the product or processes used to produce the part(s) listed and/or supplied at a greater level than 0.1% / weight. Additionally, we have concluded that none of the substances listed in REACH Annex XVII and the SVHC Consultation list are knowingly added to the product or processes used to produce the part(s) listed on this packing list.

RoHS Statement: Unless otherwise indicated on this Packing List, Dexter Magnetic Technologies, Inc. certifies that product listed on this packing list does not contain materials described in the EU Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment and is suitable for EU RoHS Directive 2011/65/EU compliant applications.

These items are controlled by the U.S. government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

Sales Terms and Conditions: This shipment is subject to Dexter Magnetic Technologies' Sales Terms and Conditions available at www.dextermag.com or upon request. Dexter Magnetic Technologies expressly rejects any additional or different terms set forth in any purchase order, acknowledgement, or other document.

Dexter Magnetic Technologies, Inc. hereby certifies that parts supplied conform to the specified requirements listed on the purchase order, supplier quality assurance manual, drawings, and specifications as provided by the customer.

Dexter Magnetic Technologies, Inc. operates a Quality Management System, which complies with the requirements of AS9100D and ISO13485:2016.

A handwritten signature in black ink, appearing to read "J E Stupfel", is written over a horizontal line.
