

CERTIFICATE OF ANALYSIS

12594025 SuperScript™IV One-Step RT-PCR System (25 reactions)

Packaging Lot: 2837982

Expiry Date: 31.10.2024 (DD.MM.YYYY)

Storage: at -20±5°C

Filling lots for components in package:

Lot	Quantity	Description
2820580	625 µL	2X Platinum SuperFi RT-PCR MM
2820583	12.5 µL	SuperScript IV RT Mix
2789243	1.25 mL	Nuclease free water

QUALITY CONTROL

Parameter	Method	Requirement	Result
Functional test One step RT-PCR	Amplification of a 7818 bp target in one step RT-PCR using 1 µg, 100 ng and 10 ng of total HeLa RNA as a template.	Reaction produces specific RT-PCR product	Conforms

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
