

CERTIFICATE OF ANALYSIS

R2592 Lysis Buffer for MagJET Plasmid DNA Kit

Packaging Lot: 2931192

Expiry Date: 29.02.2028 (DD.MM.YYYY)

Storage: at 5±3°C

Filling lots for components in package:

Lot	Quantity	Description
2921971	90 mL	Lysis Buffer for MagJET Plasmid DNA kit

QUALITY CONTROL

Parameter	Method	Requirement	Result
Conductivity	Measured using conductometer.	Within range of predetermined specifications	Conforms
Density	Measured using a densitometer.	Within range of predetermined specifications	Conforms
Refractive index	Measured using a refractometer.	Within range of predetermined specifications	Conforms

ISO CERTIFICATION

Manufactured by Thermo Fisher Scientific Baltics UAB, in compliance with ISO 9001 and ISO 13485 certified quality management system.

Quality authorized by QC: **J. Žilinskienė**
