Osmolality (mOsm/kg H <sub>2</sub> O)	1	0	7	
Endotoxin-Media (EU/ml)	< 0.005	Test & Report		***

**Additional Information:**

This product is processed from a validated Water for Injection (WFI) system, manufactured aseptically under the requirements of ISO: 9001 using a validated sterile filtration method and tested where appropriate using USP/EP methodology or approved alternative methods. This product is intended for research use only. Lonza's WFI system is monitored for microbial contamination, endotoxin, conductivity, total organic carbon, and inorganic attributes. It is the end users responsibility to ensure that this product meets the requirements of the application for which it is to be used.

This lot has been reviewed by Quality Assurance in compliance with requirements of Lonza's Quality System. This document was generated from a validated Part 11-compliant electronic system and thus handwritten signatures are not required.
