

Catalog Number: 01549750
Lot Number: 601128
Product Description: Fisherbrand™ Sterile Standard Weighing Boat
Irradiation lot No.: 00005629
Irradiation Finished Date: 06/08/2024
Dose Inspection Result: 25.02 kGy
Specified Does: 25-50kGy
Expiration Date: 06/30/2027

Certificate of Irradiation

Products have been irradiated with high-energy electron beams.

Our supplier is committed to developing and manufacturing high-quality, industry-leading products for scientific research. We certify that the following product has been produced and inspected according to our standard quality assurance processes.

Their mission is to provide conscientiously designed and thoroughly tested products for laboratory professionals in the pure and applied sciences. They strive to maintain the highest quality standards and welcome all inquiries in this regard.

This Certificate has been compiled with data that has been provided by the manufacturer of the product. Fisher Scientific Channel has not independently verified such data. This document has been produced electronically and is valid without a signature.
