

Certificate of Analysis

European Pharmacopoeia Water, Nitrate Free

Lot N: 2601034

Description: Ph Eur N 1095506

Ref N: 12980564

Performance Test: Passed

Expiry date: 28-Feb-2027

Intended use.

This product is specifically intended for use in laboratory testing according to the European Pharmacopoeia (Ph Eur), and its monographs. It is not intended to be ingested, injected or used as a raw material for any medicinal products, food, feed stuffs, medical devices, biocides or cosmetic products.

Specifications.

This product was produced under an ISO 9001 certified quality management system, according to the specifications of the European Pharmacopoeia, using Ph Eur reagent quality components and where applicable, water meeting the Ph Eur monograph requirement for Purified Water.

Dispensing & Storage.

The bottle should be open for the minimum time required to dispense the product. After use, the bottle should be tightly recapped and stored in the special laminated bag provided to prevent transpiration and ensure optimum storage conditions.

Storage temperature Range: Normal ambient temperatures between 15°C & 25°C.

This certificate relates solely to the lot number above.

Certification date: 05 Jan 2026
