

Technical Services

Technical Services provides
information on Berkshire products,
quality programs and services.

Berkshire's demanding QA
program has been developed to
evaluate the suitability of Berkshire
products to perform various
functions. In addition to
guaranteeing consistent product
quality, the data generated by these
tests is vital to Berkshire's quality
assurance and product development
processes.

Berkshire's quality system is
registered to the ISO 9001
standard. If you would like more
information Regarding Berkshire's
QA Program or Test Methods
please contact a sales
representative or the Customer
Service Department.
