

## CERTIFICATE OF ANALYSIS

Thermo Fisher Scientific's Quality System has been found to conform to Quality Management System Standard ISO9001:2015 by INTERTEK SAI Global  
Certificate Number. QMS42099

|                           |                                       |
|---------------------------|---------------------------------------|
| Catalogue Number          | W/0106                                |
| Lot Number                | 2552549                               |
| Description               | Water HPLC HPLC for gradient analysis |
| CAS Number                | 7732-18-5                             |
| Quality Test/Release Date | 16/Sep/2025                           |
| Expiry Phrase             | Use within 2 yrs of opening           |
| Country of Origin         | United Kingdom                        |

| Result Name                          | Units          | Specifications   | Test Value       |
|--------------------------------------|----------------|------------------|------------------|
| Chemical form                        |                | Mobile liquid    | Mobile liquid    |
| Conductivity                         | Microsiemen/cm | <= 5             | 1.567            |
| Gradient analysis (max. eluted peak) | A.U.           | <= 0.002         | None Detected    |
| Residue after evaporation (ppm)      | ppm            | <= 5             | None Detected    |
| Residue after ignition               | %              | <= 0.0003        | None Detected    |
| Visual colour                        |                | Clear colourless | Clear colourless |

**Additional Information** Filtered to 0.2 micron
