## **CERTIFICATE OF ANALYSIS**

Thermo Fisher Scientific's Quality System has been found to conform to Quality Management System Standard ISO9001:2015 by Intertek. Certificate Number. 2317548

Catalogue Number	18784		
Lot Number	A0471063		
Description	2,2-Dimethoxy-2-phenylacetophenone,99%		
CAS Number	24650-42-8 19/Mar/2025 19/Mar/2030 CHINA synthetic		
Quality Test/Release Date			
Suggested retest date			
Country of Origin			
Declaration of Origin			
BSE/TSE	Not directly derived from or manufactured with any animal byproducts in any way (Including but not limited to fermentation or nutrient broth, catalysts, enzymes).		
562/162	(Including	•	
Result Name	(Including <b>Units</b>	•	
		but not limited to fermentation of	or nutrient broth, catalysts, enzymes).
Result Name		but not limited to fermentation of <b>Specifications</b>	or nutrient broth, catalysts, enzymes). Test Value
Result Name Appearance (Color)		but not limited to fermentation of <b>Specifications</b> White to light yellow	or nutrient broth, catalysts, enzymes). Test Value White
Result Name Appearance (Color) Appearance (Form)		but not limited to fermentation of <b>Specifications</b> White to light yellow Crystalline powder	or nutrient broth, catalysts, enzymes). Test Value White Crystalline powder
Result Name Appearance (Color) Appearance (Form) Infrared spectrum		but not limited to fermentation of specifications White to light yellow Crystalline powder Conforms	or nutrient broth, catalysts, enzymes). Test Value White Crystalline powder Conforms

Products are processed under ISO 9001:2015 quality management systems and samples are tested for conformance to the noted specifications. Certain data may have been supplied by third parties. We disclaim the implied warranties of merchantability and fitness for a particular purpose, and the accuracy of third-party data or information associated with the product. Products are for research and development use only. Products are not for direct administration to humans or animals. It is the responsibility of the final formulator or end user to determine suitability, and to qualify and/or validate each product for its intended use.

Note: The data listed is valid for all package sizes of this lot of this product, expressed as an extension of the catalogue number listed above.
